

ON SIGHT

**DIGITIZE YOUR
WORKER'S DAY
WITH ONSIGHT.**

LIBRESTREAM

EMPOWER WORKERS IN THE FIELD.

Onsight gives your teams and customers access to remote experts and augmented content for rapid response to issues in the field. Built with interactive tools such as two-way video, audio, images, and

augmented content, Onsight is the most effective and efficient way to leverage expertise and build valuable knowledge base assets from anywhere.

THE ONSIGHT EXPERIENCE

Empower your workers to rapidly diagnose, inspect and manage assets from anywhere.

- Engage remote experts with live video, audio, telestration and images.
- Create, access, and view content securely in difficult field environments.
- Overlay augmented content for additional guidance.
- Collaborate hands-free using enterprise wearables or the Onsight Cube.
- Create, assign, execute, and monitor work instructions.*
