

Onsight How To: Access in Onsight Workspace

Onsight Transcriptions

When enabled, for your domain, the **Onsight Transcriptions** icon will appear within Onsight Connect. Onsight Transcriptions is a service option that is available for **Onsight Workspace** license. With Onsight Transcripts, you can build a library of call transcripts that is searchable; can augment your existing reports; assist with audits; and use Artificial Intelligence (AI) features to reduce the cognitive load.

Onsight Transcriptions enable you to:

- Auto-upload call Audio Files
- Transcribe text in your **Default Language**
- Playback files with Transcript Tracking
- Search by File Type
- Search by Transcript Text
- Download Transcripts/Audio

Transcription cannot:

- **Transcribe Video** Only the Audio (*.Wav) files are transcribed
- Diarize Audio Speakers cannot be identified
- **Translate Mixed Languages** Only the default language is transcribed.

Note: Transcription functions require an Onsight Workspace Enterprise license. Your default language for Transcriptions is defined by your User Account Language setting within Onsight Platform Manager.

Finding Transcriptions (Search)

When you access Onsight Workspace, the easiest way to locate transcription audio and videos is to click **Recent Recordings** icon from the left toolbar.

You can filter your search by:

- Full Text
- File Type (Audio/Video)
- Recording Date
- Author
- Tags (Metadata)

When you select a **Call Audio.wav** 匝 file, you can **Play**

the Audio and display the transcription text. Additional operations include:

- Preview (New Window)
- Download Transcript 🖑
- Download Audio 墏

Viewing & Playing Transcriptions

Login to Onsight Connect and make a call to a contact and Hang up.

After the call is ended, you can view and play transcriptions by:

Viewing Transcriptions in Onsight Workspace

- 1. Click **Files** . Verify that your call files were uploaded automatically (
- 2. Launch **Onsight Workspace** by clicking the **Workspace On** 🙆 button.

3. The Workspace Home page appears.
